Favorites and Talent in Great Luck To-Day.

LONG ISLAND IN A ROMP.

Kyle B. and Zenobia Both Win Very Easily.

(SPECIAL TO THE EVENING WORLD.)
CLIFTON RACE TRACK, Jan. 9.—The large field at Clifton today brought a large crowd to the track; this sort of a programme has great attractions for a certain class of racegoers.

The track was in first class condition and was supposed to be fast.

The first race was a good one for as betting was concerned. Louise and Kyle B. retained equal favorites most of the time, Dick Roache and other heavy speculators playing the former.

Defendant and Jennie McFarland were played for third place.

The favorite won, getting off in front and then racing along until the stretch was reached where he collared Louise and easily passed her, who as easily defeated Defendant for the place.

Long Island, notwithstanding the performance in which he was the chief actor the other day, was a real hot favorite for the second race. This seemed queer in view of the fact that he was in better company.

Brian Bohn, with Bergen up, was a strong second choice, while Gaudin and Edie also had backing.

Milton was a tip, and was quietly backed by a select few.

The proof of what THE EVENING WORLD printed about Long Island's previous performance was amply substantiated today, for he got away in front, rounded along in a canter, and won under the best of conditions.

Brian Bohn and Vossburg had it hammer and tongs for the place, the former getting it by a neck from Vossburg.

Zenobia was not a favorite in the third race and she won in very easy style.

Battle City was well played for a place, and he barely edged into the place position, for Mr. Saxe, whom Dr. Street and all his friends had played heavily, was coming fast and Battle City only beat him a head.

It was a narrow race, but a good race, considering he got away last.
